

OPAL Fuels Appoints Brian Stupp as Chief Revenue Officer for Fuel Station Services Business

November 5, 2025

WHITE PLAINS, N.Y.--(BUSINESS WIRE)--Nov. 5, 2025-- [OPAL Fuels](#) (Nasdaq: OPAL) a leader in the production, marketing, and distribution of renewable and compressed natural gas (RNG and CNG) used as a transportation fuel for heavy-duty trucking, today announced the appointment of Brian Stupp as Chief Revenue Officer for Fuel Station Services, effective November 5, 2025.

In this role, Mr. Stupp will lead all sales, marketing, and business development efforts including channel partnerships as OPAL Fuels seeks to expand the downstream RNG/CNG fueling segment of its business.

"We are thrilled to welcome Brian, an accomplished executive with deep expertise in marketing, brand strategy, and business transformation," said Adam Comora, Co-Chief Executive Officer of OPAL Fuels. "Brian's extensive experience in the logistics and heavy-duty trucking sectors comes at a crucial time, as RNG and CNG are set to supersede diesel and reshape the Class 8 trucking market. Brian's proven success at Saia, where he helped drive significant growth and profitability, along with his leadership across diverse industries, will be instrumental as OPAL Fuels continues to expand our fuel station services business, execute against our strategic objectives, and capitalize on the growing adoption of RNG/CNG."

"I am excited to join OPAL Fuels at a critical moment for the company and the industry and I look forward to driving accelerated growth and operational excellence," said Mr. Stupp. "Throughout my career, I have aligned marketing and leadership, creating measurable business results. I look to bring that same approach to OPAL Fuels as we build out a best-in-class operational platform."

Mr. Stupp has accumulated over 30 years of experience across a variety of industries including trucking (LTL and logistics), fintech, manufacturing and consumer goods. His career built upon strategic improvement of revenue and profitability, building exceptional customer experiences, brand positioning, and strategic price-to-value planning and execution. Recently, as Vice President of Marketing and Customer Service at Saia, he led an organization instrumental in achieving 2x sales growth and nearly a 6x profitability improvement.

About OPAL Fuels

[OPAL Fuels](#) (Nasdaq: OPAL) is a leader in the capture and conversion of biogas into low carbon intensity RNG and renewable electricity. OPAL Fuels is also a leader in the marketing and distribution of RNG to heavy duty trucking and other hard to decarbonize industrial sectors. For additional information, and to learn more about OPAL Fuels and how it is leading the effort to capture North America's harmful methane emissions and decarbonize the economy, please visit www.opalfuels.com.

Forward-Looking Statements

Certain statements in this communication may be considered forward-looking statements within the meaning of the "safe harbor" provisions of the United States Private Securities Litigation Reform Act of 1995. Forward-looking statements are statements that are not historical facts and generally relate to future events or OPAL Fuels' (the "Company's") future financial or other performance metrics. In some cases, you can identify forward-looking statements by terminology such as "believe," "may," "will," "potentially," "estimate," "continue," "anticipate," "intend," "could," "would," "project," "target," "plan," "expect," or the negatives of these terms or variations of them or similar terminology. Such forward-looking statements are subject to risks and uncertainties, which could cause actual results to differ materially from those expressed or implied by such forward-looking statements. New risks and uncertainties may emerge from time to time, and it is not possible to predict all risks and uncertainties. These forward-looking statements are based upon estimates and assumptions that, while considered reasonable by the Company and its management, as the case may be, are inherently uncertain and subject to material change. Factors that may cause actual results to differ materially from current expectations include various factors beyond management's control, including, but not limited to, general economic conditions and other risks, uncertainties and factors set forth in the sections entitled "Risk Factors" and "Cautionary Statement Regarding Forward-Looking Statements" in the Company's annual report on Form 10-K and quarterly reports on Form 10-Q, and other filings it makes with the Securities and Exchange Commission. Nothing in this communication should be regarded as a representation by any person that the forward-looking statements set forth herein will be achieved or that any of the contemplated results of such forward-looking statements will be achieved. You should not place undue reliance on forward-looking statements in this communication, which speak only as of the date they are made and are qualified in their entirety by reference to the cautionary statements herein. Except as required by law, the Company expressly disclaims any obligations or undertaking to release publicly any updates or revisions to any forward-looking statements contained herein to reflect any change in the Company's expectations with respect thereto or any change in events, conditions, or circumstances on which any statement is based.

Disclaimer

This communication is for informational purposes only and is neither an offer to purchase, nor a solicitation of an offer to sell, subscribe for or buy, any securities, nor shall there be any sale, issuance or transfer of securities in any jurisdiction in contravention of applicable law. No offer of securities shall be made except by means of a prospectus meeting the requirements of Section 10 of the Securities Act of 1933, as amended.
