## Item 1.01. Entry into a Material Definitive Agreement.

### Landfill gas purchase and sale agreement

On April 13, 2023, a wholly-owned subsidiary of OPAL Fuels Inc. (referred to herein as the “**Company**”) entered into a Landfill Gas Purchase and Sale Agreement and a Lease Agreement (collectively, the “**Agreements**”) with Waste Management of Illinois, Inc. (“**WM**”), an indirect wholly owned subsidiary of Waste Management, Inc. The Agreements, which are effective as of March 13, 2023, provide the Company with the right to purchase landfill gas (“**LFG**”) from WM’s Cottonwood Hills Landfill located in Marissa, Illinois, and to build and operate a facility (the “**Facility**”) on a parcel located on the landfill footprint to process the LFG into renewable natural gas (“**RNG**”). Per the terms and conditions of the Agreements, WM will receive a lease payment and certain royalties from the sale of RNG produced by the Facility, including with respect to any sales of environmental credits or other attributes associated with the RNG. The terms of the Agreements are 25 years from the date the Facility commences operations.

The representations, warranties and covenants contained in the Agreements were made solely for the benefit of the parties to the Agreements and may be subject to limitations agreed upon by the contracting parties.

### Cautionary Statement Regarding Forward-Looking Statements

This Current Report on Form 8-K contains forward-looking statements within the meaning of the federal securities laws. These forward-looking statements generally are identified by the words “believe,” “project,” “expect,” “anticipate,” “estimate,” “intend,” “strategy,” “future,” “opportunity,” “plan,” “may,” “should,” “will,” “would,” “will be,” “will continue,” “will likely result,” and similar expressions, but the absence of these words does not mean that a statement is not forward-looking. Forward-looking statements are predictions, projections, and other statements about future events that are based on current expectations and assumptions and, as a result, are subject to risks and uncertainties. Many factors could cause actual future events to differ materially from the forward-looking statements in this Current Report on Form 8-K, including, but not limited to those described under the section entitled “Risk Factors” in the Company’s Annual Report on Form 10-K for the year ended December 31, 2022, filed on March 29, 2023, as such factors may be updated from time to time in the Company’s periodic filings with the SEC, which are accessible on the SEC’s website at [www.sec.gov](http://www.sec.gov).

New risks emerge from time to time. It is not possible for our management to predict all risks, nor can we assess the impact of all factors on our business or the extent to which any factor, or combination of factors, may cause actual results to differ materially from those contained in any forward-looking statements we may make. In light of these risks, uncertainties and assumptions, the forward-looking events and circumstances discussed in this Current Report on Form 8-K may not occur and actual results could differ materially and adversely from those anticipated.

Forward-looking statements speak only as of the date they are made. Readers are cautioned not to put undue reliance on forward-looking statements, and we assume no obligation and do not intend to update or revise these forward-looking statements, whether as a result of new information, future events or otherwise. We do not give any assurance that we will achieve our expectations.
